

I Can Go Hiking

Hiking is a fun way to get outside and see nature.

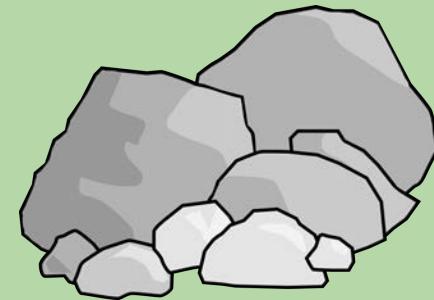

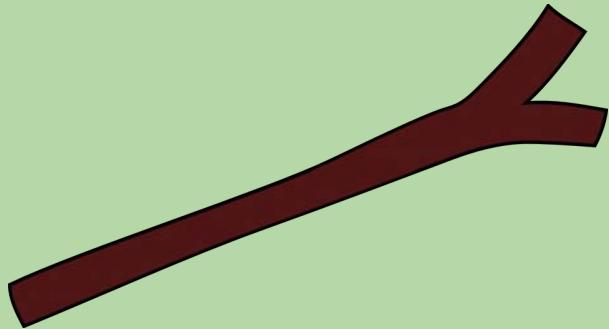

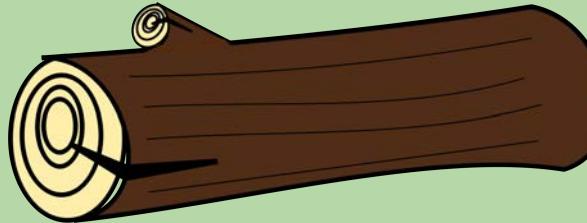

I will go in the car to the park to the hiking trailhead.

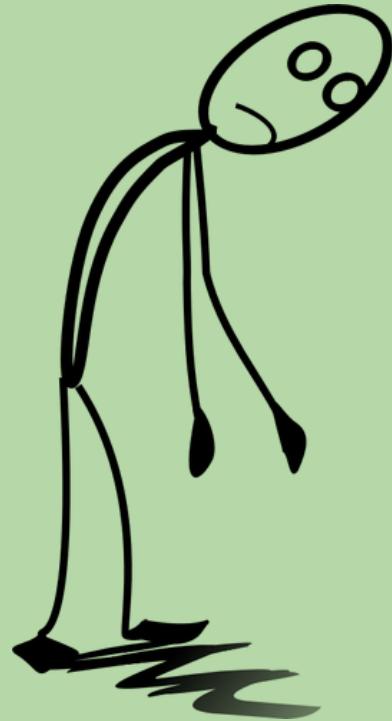

I will bring water and a
snack for the hike.

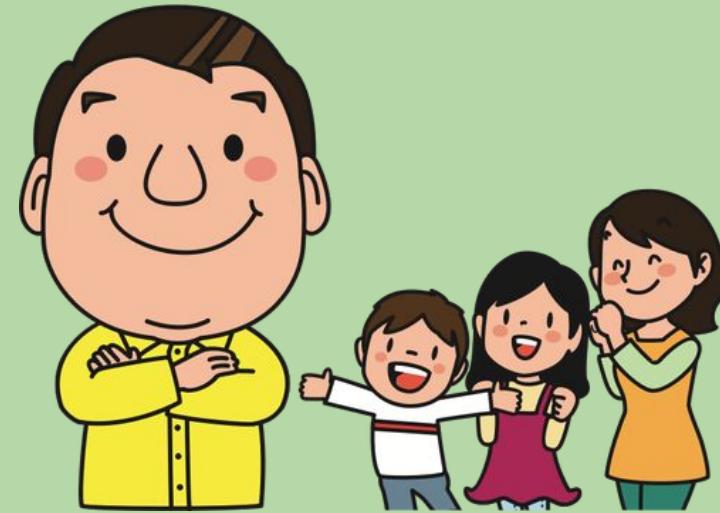

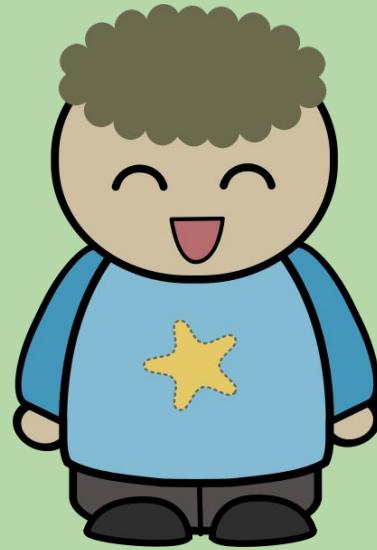

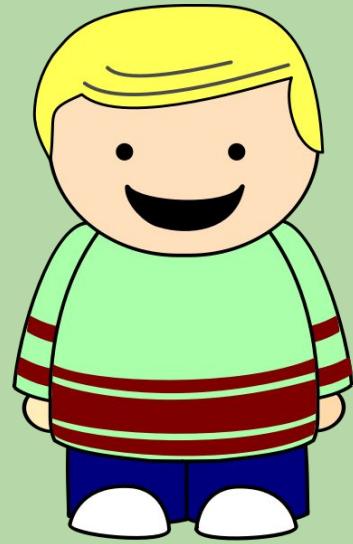

**It is important to wear safe
shoes hiking.**

I will see many cool things in nature that are new to me.

I may get tired and need a break. I can sit on a bench.

I will do a great job and feel
proud of myself. My family will
be proud also.
